Courier service by Vayudoot

919. SHRI V. NARAYANASAMY: Will the Minister of TRANSPORT be pleased to state:

(a) whether Vayudoot has recently started Courier Services to several countries; and

(b) if so, what is the estimated profit likely to be earned during the year 1986-87 from this service?

THE MINISTER OF STATE IN THE DEPARTMENT OF CIVIL AVIATION (SHRI JAGDISH TYTLER): (a) No, Sir.

(b) Does not arise.

Death of Miss Rajani Parashar Research student of Delhi University

920. SHRI VIRENDRA VERMA:
SHRI J. P. GOYAL:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that a research scholar, Miss Rajani Parashar of the Department of Botany, Delhi University, recently died in mysterious circumstances;

(b) if so, whether Government have made any inquiry into the circumstances leading to her death; and

(c) if so, with what results and what action has been taken by Government in the matter?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION AND CULTURE (SHRIMATI KRISHNA SAHI): (a) Yes, Sir.

(b) and (c) The University has entrusted the matter to the C.B.I. for investigations. The investigations are in progress.

Difficulties being faced by OPD Patients in RML Hospital

921. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government's attention has been drawn to the Press report published in the Indian Express of 28th May, 1986 with regard to the working of the Out Patient Department in Ram Manohar Lohia Hospital Delhi and the difficulties being faced by the patients in getting treatment; and

(b) if so, what measures have been taken by Government to improve the conditions in the above hospital and also in other Government hospitals in Delhi where similar difficulties are being faced by the patients?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH (KUMARI SAROJ KHAPARDE): (a) Yes, Sir.

(b) The Government are aware of the fact that the quality of services available in the OPD Wing of RML Hospital and other major hospitals in Delhi is often less than the optimal level. This is due to the overcrowding and a constantly higher level of demand for medical care and attention than what these hospital are geared to provide. The effort of the Government has been to introduce a series of measures to optimise the utilisation of installed facilities in the existing hospitals and to establish peripheral level institutions both at the primary and secondary level to ensure that all medical cases do

not gravitate towards the existing hospitals. This is a continuing process.

Symposia|Seminars|Survey for impact of film on public

922. SHRI PAWAN KUMAR BANSAL: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the Central Board of Films Censors has ever held symposia or seminars of film critics, writers, community leaders and persons engaged in film industry or undertaken local or national surveys to study the impact of various kinds of films on the public mind:

(b) if so, what has been the response to such initiatives and what major suggestions have come forth regarding certification of films for public exhibition; and

(c) if answer to part (a) above be in the negative, what steps Government contemplate in the near future with a view to determining the principles to be observed in certifying films for public exhibition?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION AND CULTURE (SHRIMATI KRISHNA SAHI): (a) to (c) The Central Board of Film Certification has not held directly any symposium or seminar on the subject of censorship of films. However, at the instance of the Board, the Indian Institute of Mass Communication has conducted a nation-wide survey on the subject of film censorship: viewers' reactions. For ensuring a wide comprehensive coverage the study was to be taken up in five zones—northern, southern, western, eastern and central zones. So far only the reports for southern and western zones and combined report for northern and central zones have been received. The report for eastern zone is awaited. Government can take a final view only when all the reports are received.

The basic principles for the guidance of the Board in certifying films for public exhibition in India are laid down in section 5B(1) of the Cinematograph Act 1952. Guidelines have been issued by Government under section 5B(2) of the Act setting out the principles in fuller details for determining the suitability of films for public exhibition.

Harassment of PhD. Student in Delhi University

923. SHRI CHATURANAN MISHRA:

SHRI SURAJ PRASAD:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that Miss Rajani Parasher, a Ph.D student of the Botany Department (Delhi University) died some time in June, 1986 in the laboratory of Prof. S. C. Maheshwari;

(b) whether the Vice-Chancellor of Delhi University had set up a committee to inquire into the circumstances leading to her death;

(c) if so, the details thereof and result of the enquiry;

(d) whether it is also a fact that five representatives of the Delhi University Researchers' Asssociation met the members of the Inquiry Committee on 24th June, 1986 and gave them cases of 10 students of the Botany Department who had been harassed in the past;

(e) if so, the details thereof; and

(f) whether any enquiry is being made into the matter?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION AND CULTURE (SHRIMATI KRISHNA SAHI): (a) No, Sir. Miss Rajani Parashar died on her way from Hindu Rao Hospital to Sir Ganga Ram Hospital where she was being taken for dialysis.
